FOREWORD

We, the class of "56" present our first annual "The Panther". In it are our dreams and efforts realized. The years that are engraved on all our minds so vividly, we leave for you to share.

In this book, the fading memories of our school days are reflected. What a joy it is to think that even after we grow old, our youth remains within the pages of this book. The joys have outnumbered the sorrows. Now, full of hope and looking toward the future, we leave our Alma Mater.

DEDICATION

E. E. Waddell, Principal

The Annual Staff, Senior Class, and Advisors, take great pleasure in dedicating our first annual, to our devoted principal, Mr. E. E. Waddell.

To him we offer our sincere thanks and appreciation. Never can we compensate for his many contributions of time, worry, and service to us. However, as a small token of our respect and esteem for him this annual is humbly submitted along with our best wishes.

We are hoping that the service we received will be a continual process, passed on to all the other seniors who come this way. With a capable leader, success will be theirs as it has been ours.

BOARD OF EDUCATION

Left to Right (Seated) H. W. Rogers, R.L. Brown, Jr. , Chairman (Standing) J. H. Morrow, J.B. Morris, Jr. , R.F. Furr, C.W. Pickler.

SUPERINTENDENT

Claud Griggs

SECRETARY

Mrs. Drusie Wall Gaskin

The Kingville School looks forward to the privilege of rendering greater services to the people of our school community as new facilities are completed and additional programs planned. I would like to express my sincere appreciation to the seniors, annual staff, advisors, and all others whose efforts made our first annual possible.

I accept the dedication of this annual, not as self praise or honor, but as honor to the children, parents, and teachers for whom I have served as principal.
